

**AMENDMENT A 'MARK-UP TEXT' FOR THE SPECIFICATION CHANGE NOTATIONS FROM  
THE PREVIOUSLY PATENT EXAMINER ACCEPTED VERSION SUBMITTED TO THE US  
PATENT OFFICE:**

Underline text indicates added text to the previous Amendment

X accepted by the patent examiner.

[NOTE: - indicates an added explanation.) which is non-USPTO standard  
optical character recognition scanning notation.

Previously underlined text in the prior Amendment X such as book  
titles are left alone, but, if changes need by made they are  
indicated by both strike-out for deleted text and '[' opened  
bracket, underlined added text, plus ')' closed bracket which is  
non-USPTO notation which uses the USPTO approved notation for  
deletion and addition of single character changes.

~~Strike-out text indicates deleted text from the previous Amendment X  
accepted by the patent examiner.~~
